In addition, tax-exempt organizations must make available for public inspection a copy of their annual returns for the preceding three years and exemption application, if applicable. An organization generally must furnish filings to anyone who requests them in person or in writing. An exempt organization may meet this requirement by posting all the documents on its website or at another organizations site as part of a database of similar materials. Specific requirements must be met to meet this exception.

When mailing is necessary, we recommend that you use certified mail with postmarked receipts for proof of timely filing.

Be sure to review the returns prior to signing as you have final responsibility for all information included in the returns. If there is anything on the return you do not understand, we would be glad to answer your questions.

Copies of each return are provided for your permanent records. Based on IRS guidance, we generally recommend that you keep supporting documentation for a minimum of seven years; and that you keep copies of the tax returns, and records that support basis for items in the tax return, indefinitely.

We value our relationship with you and thank you for your trust and confidence in allowing us to serve you. If you have any questions regarding the returns or other services that we can assist you with, please do not hesitate to contact us. Some of our best clients come through referrals from existing clients. If you know of anyone who could benefit from our assistance, we would be pleased to speak to him or her.
