

# THE RIDGES SANCTUARY

*Research • Education • Land Preservation*

## 2020 ANNUAL REPORT

***“Ask Yourself...What if I had never seen this before?  
What if I knew I would never see it again?”***

*– Rachel Carson, environmentalist, ecologist, and author*

## **MISSION**

*To protect the Sanctuary and inspire stewardship of natural areas through programs of education, outreach and research.*

## **VISION**

### **LAND PROTECTION**

*We must protect The Ridges lands, flora and fauna from the harmful impacts of human activity, invasive species, and other threats that may arise.*

### **EDUCATION**

*We must reach out to all and be a resource to help educate youth and adults in the importance of stewardship and provide opportunities for participation and personal responsibility.*

### **RESEARCH**

*We must encourage, promote and facilitate research critical to this diverse environment and other relevant Door County habitats.*

# THE RIDGES SANCTUARY

## **BOARD OF DIRECTORS**

*As of August 2020*

### *President*

Linda Brooks

### *Vice-President*

Dave Zuhlke

### *Secretary*

Sandy Miller

### *Treasurer*

Rob Davis

## **DIRECTORS**

Cynthia Crock

Chuck Dull

Jeff Lutsey

Grace Rossman

Bill Wolff

Cindy Wolter

## **STAFF**

### *Executive Director*

Andy Gill

### *Director of Operations*

Katie Krouse

### *Visitor Engagement Specialist/ Front Desk*

Mary Beth Anschutz

### *Land Management Intern*

Ben Epley

### *Marketing/Communications*

Jeanne Farrell

### *Environmental Interpreter*

Anna Foster

### *Environmental Education*

### *Staff Accountant*

Sally Hunter

### *Summer Naturalist*

Tony Kiszonas

### *Visitor Engagement Coordinator*

Linda Sanduski

### *Development Assistant*

Lauri Smith

### *Environmental Education Intern*

Sarah Thompson

Dear Ridges Sanctuary Family,

We are proud to present to you, our family of members, donors, and volunteers, a summary of 2020. Just as the flora and fauna are continually growing, The Ridges Sanctuary too has continued to thrive.

As Covid-19 took hold, people continued to come to the Door Peninsula in search of low-risk outdoor activities. Ridges trails offered old and new friends a safe way to relieve stress and enjoy nature. A modified Natural Christmas event with luminaria along the Hidden Brook Boardwalk brought people out to experience the beauty of the Ridges surroundings. Tellingly, donations to the trail kiosks remained steady throughout the year, indicating strong visitor support.

At the same time, The Ridges found ways to adapt. A work from home policy was developed and a PPP (Paycheck Protection Program) loan – later forgiven – kept staff employed. Educational programming continued virtually and later outdoors to keep children and adults engaged and connected to nature. In the midst of an Executive Director transition, the board formed an ad hoc management committee to provide steady guidance and support to Ridges staff and operations.

The Ridges Board and I are excited to take the learnings from this year of change into 2021 and beyond. We are fortunate to have a strong Executive Director and staff in place and have kicked off the year with expanded offerings and unexpected bequests from across the country. It is rewarding to know that The Ridges has made personal and lasting connections with those near and far.

We remain grateful for your support of our mission to inspire stewardship of natural areas through programs of education, outreach and research.

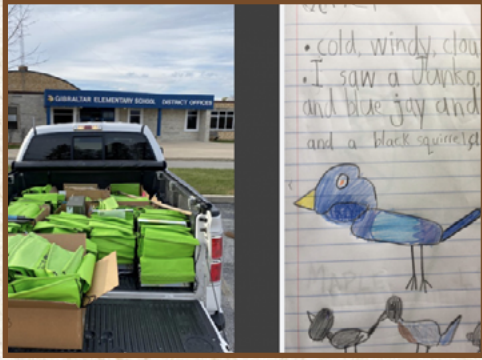

Linda Brooks  
Board President

# YEAR IN REVIEW

## EDUCATION

In 2020, the pandemic pushed Education staff to think outside the box. Throughout the year, our education programming shifted to virtual and modified in person programming for children, adults, and families.

### GIBRALTAR FOREST DAYS

Ridges Educators, Sheryl Honig and Anna Foster, worked relentlessly to bring quality Forest Days programming to Gibraltar students grades K-6. Forest Days were designed in 2018 to bring students outside and into their local forest for place-based environmental education. Due to the virtual nature of Gibraltar schooling, Sheryl and Anna developed weekly videos that were distributed to students. Students were encouraged to take the learnings from these videos outside to their own yard or to a nearby park and apply what they learned. Both educators received incredible responses back from students demonstrating their explorations in their own ecosystems.

In addition to the virtual programs created by our educators, we were lucky to collaborate with Rotary Club of Door County North to maintain these programs and provide each K-6 grade student with adventure packs that they could use at home to explore even further. We are so grateful to the Rotary Club for their commitment to our programming and for helping kids to get outside every single day.

*"The forest days were so much fun! Even when I was online, getting to observe nature throughout the seasons was really nice." - Gibraltar Forest Days Student, 4th Grade*

### BACKPACK ADVENTURE CAMP

Since 1982, The Ridges Sanctuary has hosted Backpack Adventure Camp for local and visiting children in Door County. Campers get outside to explore the natural world and learn together through free play, exploration, and team activities. In 2020, we were challenged with a difficult decision to either cancel or modify our programming. Through endless meetings and community support, we developed a modified summer camp experience that allowed a limited number of campers to join us for two-week sessions (contrary to our usual one-week session). This modification allowed us to run our usual day camp experience – but with 100% outdoor programming to explore the natural world throughout July.

*"I had a lot of fun playing with my friends including you!" - Dragonfly Nature Play Student, Age 5*

*"Thank you for such a wonderful & fun nature experience.  
Can't wait for some summer exploring!" - Dragonfly Nature Play Parent*

### DOOR COUNTY FESTIVAL OF NATURE

Not all of Ridge's programming was able survive the impacts of the pandemic. In March of 2020, the difficult decision was made to reschedule the 18th Annual Festival of Nature to September 2020. However, due to the ongoing effects of the pandemic, we were ultimately forced to cancel the 18th Annual Festival of Nature and start looking forward to a modified experience in 2021. Not all was lost due to the festival's cancellation. Because of the incredible support of our program participants and sponsors, we were able to offer live programs taught virtually throughout the Fall of 2020. These videos are now posted on YouTube and available to all.

## RESEARCH

---

The Ridges is leading the way in terrestrial orchid research and restoration. Our success with orchid research is due to support from the community, staff, partner organizations, and citizen science volunteers.

### ORCHID TREKKING

Our orchid trekkers had an incredible year. Assisted by Kids Camp orchid seekers, our core group of David Barnes, Julie Knox, and Jane Whitney located hundreds of orchids this past year, including one orchid not recently documented on Ridges Sanctuary property (*Corallorhiza maculata*-spotted coral root) and two orchids verified, not only for the first time on Sanctuary property but also in Door County for the first time (*Spiranthes casei*-Case's ladies' tresses and *Spiranthes lucida*-shining ladies' tresses). The trekkers were out through the fall, winter – yes winter – spring, and continue to “mark” orchids this summer. This is a critical process in the documentation of species diversity, habitat, populations, flowering rates, and seed production of these intriguing plants.

### ORCHID RESTORATION

Thanks to our volunteer monitoring team consisting of Julie Knox, Jane Whitney, Marsha Krzyzanowski, Steve Krzyzanowski, Terri Hanke, and David Hanke; plot data was collected in June. All together, we have found our orchid population to be decreasing, but there were seven individual orchid blooms in our planted population, four more than in 2020. The six wild plots had a total of seven blooms, ten fewer than in 2020.

In addition to individual plant data, we continually collect soil temperature, soil moisture, and light readings from twelve of our plots using HOBO monitors. In the summer of 2021, we will receive six additional monitors, thanks to a donation from Rob Davis. Our statistician, Mark Polczynski, has been a fantastic resource, advising us on HOBO placement and data analysis of our research plots. Mark has directed us to plots he believed would be beneficial to collect soil samples for pH analysis, performed in collaboration with the University of Wisconsin at Oshkosh. This information will be integral in picking prospective areas for our restoration efforts.

Led by Tony Kizonas and Ben Epley, work continues steadily in 2021 on orchid germination with successful germination of three of the target species, *Calopogon tuberosus* (grass pinks), *Cypripedium acaule* (pink moccasin), and *Cypripedium reginae* (showy lady's-slipper) in the last year.

## OUTREACH

---

The Nature Center adapted during COVID-19, offering new ways to share nature with volunteers, members, residents, businesses, visitors, and community leaders.

### COOK-ALBERT FULLER NATURE CENTER

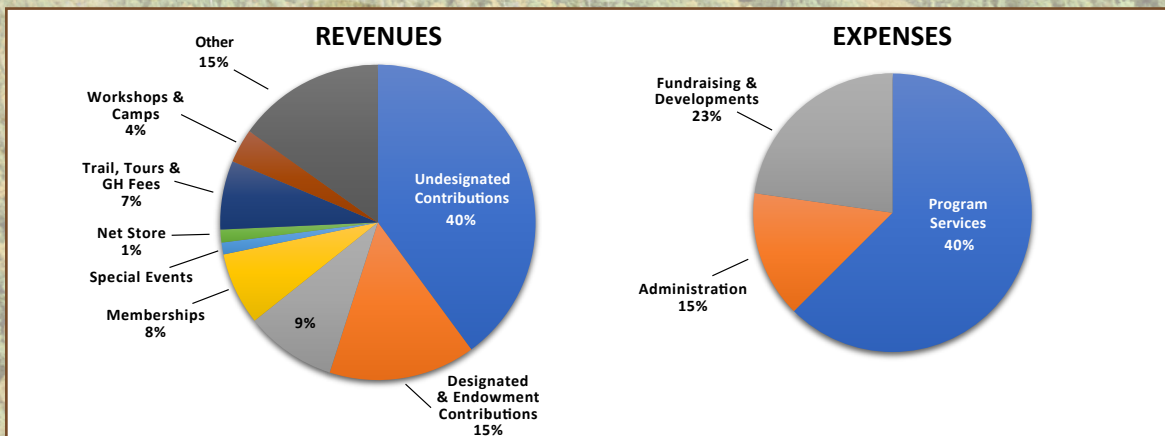

The Nature Center was closed from March-June of 2020, and we were missing daily opportunities to interact with the hundreds of folks that were hiking our trails, answer questions, sign up new members, sell Ridges merchandise, and build relationships. We knew we had to find a way to rebuild the experience and continue to interact and provide resources to our visitors. So, in July, we re-opened the front desk with a new mini nature store and resource stand at the front entrance of the nature center. While we may have looked a little different, we found a way to modify the experience and serve our mission of Education, Outreach and Research.

# THANK YOU FOR YOUR GENEROUS SUPPORT

This is an Annual Report Listing of those who have given to The Ridges Sanctuary  
from January 1 through December 31, 2020.

Your gift deserves to be acknowledged. If we have made an error, please notify us so that we can correct it for future publications.  
If you prefer to remain anonymous, please let us know at 920-839-2802 or info@RidgesSanctuary.org.

In 2020, we updated our member/donor software. Please contact us if you see any inaccuracies in this list. We will use the  
information you provide to improve our database and data reporting.

## THE ALBERT FULLER SOCIETY

One of the first to recognize the unparalleled natural assets of the land, now managed by The Ridges Sanctuary, was renowned botanist Albert Fuller. His tireless efforts on behalf of those assets resulted in the founding of The Ridges in 1937 and, subsequently, in many other important conservation initiatives. The Albert Fuller Society recognizes donors who made a lasting contribution to environmental preservation by including the Sanctuary in their estate planning.

If you have named The Ridges in your will or trust or plan to do so, please let us know so that we may welcome you into the Albert Fuller Society and recognize this profound contribution to the future of the Sanctuary and your dedication to preserving and protecting its environmental diversity.

# ANNUAL APPEAL

The Annual appeal represents a significant portion of funds raised to support the daily operating expenses of The Ridges. It provides critical support each year for our initiatives in research, education and outreach, and land protection.

## MEMBERS

The Ridges Sanctuary is built on the strengths and contributions of its members. Together we support Wisconsin's first land trust and protect the state's most biologically diverse ecosystem for future generations.
