

The Ridges Sanctuary Daily Deer Hunting Report Form

All registered deer hunters are required to fill out the Deer Hunting Report Form for each location that was hunted each day. The completed form can be sent to Sam Hoffman, Land Manager via email at sam@ridgessanctuary.org, or mailed to The Ridges Sanctuary PO Box 152, Baileys Harbor, WI 54202. All hunters must **turn in all report forms by December 5, 2024**. Failure to report on time is cause for automatic denial for permission to hunt Ridges' property in future years. Only registered hunters are permitted on the property during your deer hunt. You cannot bring others that are not permitted to hunt along to assist or drive deer, etc.

The Ridges Sanctuary promotes ethical hunting, and requests that all hunters use nontoxic ammo over lead shot. Report any game violations to the local Conservation Warden Mike Neal at (920) 559-0735. To immediately report any other issues, The Ridges Sanctuary can be reached at (920) 839-2802. Thank you for your cooperation, and good luck hunting!
