### Owl Nest Box Workshop

**Saturday, March 1st, 12:30PM-1:30PM**

**Fee:** Public \$50 | Member \$45

Head over to The Ridges Workshop to build eastern screech-owl nest boxes to take home and hang in your backyard. A Ridges staff member will provide you with all the materials you need to assemble your nest box. Please note: the nest box building portion of the workshop will include hammering and use of power tools in an indoor space.

**Location:** Workshop at The Ridges, 8288 Cty Q, Baileys Harbor

**Capacity:** 15

### Bluebird Nest Box Workshop

**Saturday, March 15th, 10:00AM-12:00PM**

**Fee:** Public \$25 | Member \$22

**\$5 Additional Attendee | \$20 Additional Boxes**

Join us for a workshop where you can help eastern bluebird populations thrive! You'll learn about the needs of bluebirds and build a nest box to take home with you. Charlotte Lukes will be there to explain why supporting these little bluebirds is so crucial. Tools and materials for one nest box will be provided. Space is limited due to availability of nest boxes. Each registration includes materials for one nest box. If you plan to have more than one person build a single box and attend the workshop, please pay an additional \$5 for each participant. Also, be aware that nest box building involves hammering and the use of power tools in an indoor space.

**Location:** Cook-Albert Fuller Nature Center

**Capacity:** 20
